Subject: Moms Demand Action Gun Sense Candidate distinction

Good Morning -

We are happy to inform you that your campaign has been given the Moms Demand Action Gun Sense Candidate distinction. Thank you again for standing up for gun violence prevention and recognizing gun safety.

Moms Demand Action for Gun Sense in America is a grassroots movement of Americans fighting for new and stronger solutions to lax gun laws and loopholes. Since its inception after the tragedy at Sandy Hook School, Moms Demand Action has established a chapter in every state of the country and, along with Mayors Against Illegal Guns and the Everytown Survivor Network, is part of Everytown for Gun Safety, the largest gun violence prevention organization in the country with more than four million supporters.

Attached to this email you will find the official Moms Demand Action Gun Sense Candidate logo. Please feel free to use the Moms Demand Action Gun Sense Candidate distinction and logo on your campaign website and printed materials to demonstrate to voters and volunteers that you stand for common sense gun safety.

Please note however, being a Gun Sense Candidate should not be considered a formal endorsement from Everytown for Gun Safety Action Fund and multiple candidates running in the same race may receive the Moms Demand Action Gun Sense Candidate distinction.

Also attached here is gun violence prevention messaging and background on state and local gun violence prevention issues - to support how your campaign talks about gun safety. Further resources can be found on our website: [Learn More about GVP](#), [Everytown in the News](#), [GVP Research and Resources](#).

As the largest gun violence prevention organization in the country, Everytown for Gun Safety's tens of thousands of volunteers, hundreds of thousands of donors and millions of supporters are dedicated to common sense reforms that protect the 2nd Amendment and also make our communities safer.

Thank you for standing with us against gun violence. Together, we look forward to showing that Gun Sense is a winning issue and gun safety is non-negotiable.
